Dear Client's Name:

Subject: Team Suffolk Swim Club

The Team Suffolk Swim Club is a 25-year-old non-profit organization that currently has over 240 swimmers ranging from the ages of 5 to 18. Members come from Eastern Nassau and Western Suffolk Counties and are part of Metropolitan Swimming, Inc., a local swim committee of USA Swimming, the national Olympic organization. Our objective is the education and training of these young athletes to improve their capabilities in the sport of swimming, and develop those qualities of character that come from years of disciplined training. USA Swimming has over 2,800 teams and Team Suffolk is currently listed in the top 5% of all swim teams in the nation. Past swimming accolades include Olympic Trial Qualifiers, 16 top national times by age group, zone and sectional champions and 5 times defending Suffolk County Champions along with 6 times back to back Suffolk County Relay Champions. Each year we are proud of our graduating seniors who are prepared to go on to top schools in the country such as the US Naval Academy, Princeton, Stanford, Carnegie Mellon, Dartmouth, Notre Dame, Wharton School of Business (Univ. of PA). We at Team Suffolk strongly believe the future of our community is now. Being a part of Team Suffolk helps build lasting values in our children, including dedication to a tireless work ethic, sportsmanship, gender equity, courage, and time management skills. The fundamentals learned at Team Suffolk lead to the making of tomorrow's leaders. If being associated with Team Suffolk Swim Club will help your public relations and bring a smile upon your company then we have answers to three questions.

Can I be a recognized contributor towards Team Suffolk's positive efforts within my community?

Can I help Team Suffolk continue the stories of success for these dedicated swimmers and their families?

Can I be a part of the Team Suffolk Family?

Team Suffolk publishes a yearbook which is given to each swim member and their family. The yearbook is treasured by the swimmers, particularly the graduating seniors. Corporate sponsors are well positioned within the book and our families find the best way to say thanks is through patronage to those businesses. Supporting Team Suffolk promotes great relationships in the community. We ask you, as a member of our community, to find a way to be a part of us through your tax-deductible donation. You will be associated with a highly successful swim team and you will find yourself basking in the appreciation of over 240 families and friends located right here in your local market. It all starts with you.

Sincerely yours,

*The Team Suffolk Swim Club
Making it Happen Right Here Right Now*
